Engaging in public discourse

Promoting public awareness of the politically progressive dimensions of Christian opinion.

A Progressive Christian Voice (Australia)

is a group of Christians who wish to contribute to public debate by promoting a generous and future-focused understanding of the Christian faith.

A Progressive Christian Voice (APCVA) understands Christian opinion to be more diverse and broader than that portrayed by the media. We are dedicated to contributing insights from progressive streams of the Christian faith and community.

In addition, we are keen to minimise the effect that powerful lobby groups have on public discourse. APCVA is therefore concerned with promoting public awareness of the diversity of Christian opinion.

We do not speak on behalf of any Christian denomination, congregation, community or organisation. Our members come from a variety of backgrounds and traditions.

APCVA welcomes fresh and challenging contemporary insights into the interpretation of Christian scriptures and tradition.
